CoCoNet Workshop, Dublin, 30th Jan 2004

Introduction

Interreg

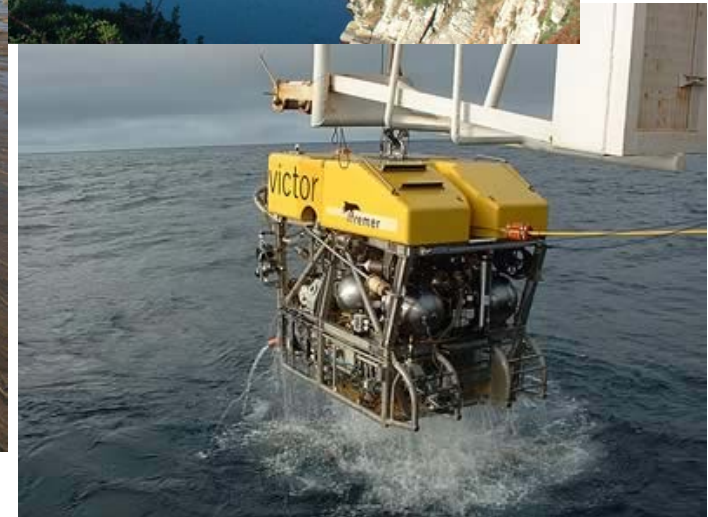

Objectives of CoCoNet

Agenda

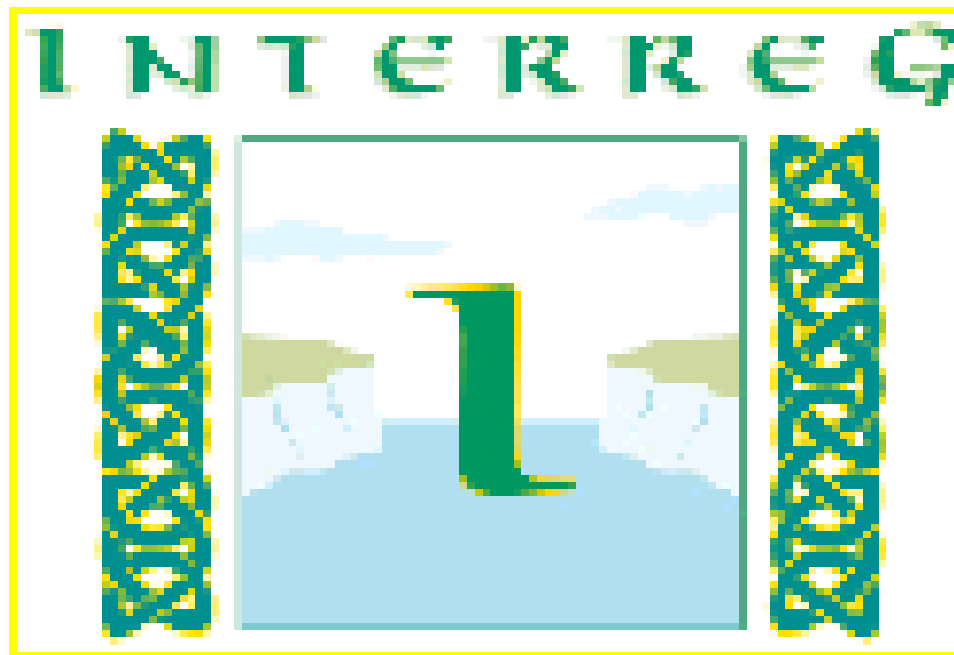

CoCoNet Workshop, Dublin, 30th Jan 2004

CMRC

CoCoNet Workshop, Dublin, 30th Jan 2004

CoCoNet Workshop, Dublin, 30th Jan 2004

Importance of networking:

Fostering dialogue

Promoting common understanding

Sharing experiences and expertise

CoCoNet Workshop, Dublin, 30th Jan 2004

Objectives of CoCoNet:

To encourage and facilitate **communication** between different coastal stakeholders

To improve **awareness** of local ICM issues

To provide **opportunities** to learn from each other

To explore mechanisms for **public participation** in sustainable coastal management

CoCoNet Workshop, Dublin, 30th Jan 2004

Stocktake

Importance of coastal communities

CoCoNet Workshop, Dublin, 30th Jan 2004

Outcomes:

An opportunity for **networking** between citizens with a common interest in their coasts

Increased **understanding** of current developments in ICM in European and National frameworks

Examples of **good practice** in coastal management at community level

Identification of **issues and priorities** for management

CoCoNet Workshop, Dublin, 30th Jan 2004

Outputs:

The seeds for new **project ideas** with tangible outputs on local coastal environments.

CoCoNet Workshop, Dublin, 30th Jan 2004

Plan of Action – The Agenda!
